Georgia TOURISM

The tourism sector in Georgia presents a significant market opportunity with 8 million anticipated international arrivals, an increasing average spend, and a strong GDP contribution.

How Major Travel Brands Succeed?

TRAFFIC SOURCES

TripAdvisor generates 55% of its traffic through organic SEO, demonstrating the power of search engine visibility in attracting travelers to their platform.

PERSONALIZATION STRATEGIES

GetYourGuide utilizes AI-driven personalization, allowing them to tailor offers and recommendations to travelers, enhancing user experience and increasing conversion rates significantly.

BOOKING CHANNELS

Online Travel Agents (OTAs) are projected to generate \$408 billion in bookings, capturing 1 in 4 global travel dollars, emphasizing the importance of direct channel infrastructure for operators.

The Modern TRAVELER'S Journey

INSPIRE ACTION

Travelers are inspired to explore through social media and engaging content, sparking their interest and leading them to investigate potential experiences and destinations further.

SEARCH PROCESS

Using platforms like Google, YouTube, and TikTok, travelers perform searches that provide them with valuable information to help make informed decisions about their trips.

VALIDATE CHOICES

Prospective travelers validate their choices through reviews, checking TripAdvisor and OTA listings for credibility, ensuring they are making the right decision before booking.

BOOKING DECISION

The final step involves travelers comparing prices, languages, and social proof, leading them to book directly for better rates and avoiding commissions associated with OTAs.

The

DIGITAL

MARKET GAP

VISIBILITY GAP

Many operators in Georgia only publish English content, rendering them invisible to 60% of their potential market. This limits their reach and reduces opportunities for engagement and bookings.

TRUST GAP

Without customer reviews and strong branding, operators struggle to gain the trust of potential travelers, leading to missed opportunities as bookings often go to their competitors.

TAILORED SOLUTIONS
FOR THE TRAVEL
INDUSTRY

GROWTH STRATEGY

MARKET RESEARCH

Our approach involves in-depth market and competitor research, allowing us to identify key opportunities and trends across diverse travel markets for effective strategies.

GO-TO-MARKET PLANNING

We devise tailored go-to-market plans that align with target demographics, ensuring a strategic entry into competitive regions such as Russia, Israel, and the EU.

CUSTOMER JOURNEY MAPPING

We create comprehensive customer journey maps to understand the entire booking process, helping businesses enhance traveler experiences and optimize touchpoints for higher conversions.

PERFORMANCE MARKETING

GOOGLE SEARCH ADS

We utilize targeted Google Search Ads to capture high-intent travelers, ensuring that your offerings appear at the crucial moment when potential customers are actively searching for travel options.

RETARGETING CAMPAIGNS

By implementing retargeting campaigns, we reconnect with visitors who didn't book, reminding them of your offerings and nudging them towards conversion—effectively boosting your booking potential.

SOCIAL MEDIA ADS

Our Meta Ads reach travelers in key markets such as Russia and Israel, optimizing engagement through audience segmentation, thereby enhancing conversion rates and driving bookings directly to your platform.

SEASONAL CAMPAIGNS

We design seasonal campaigns aligned with Georgia's peak travel periods, maximizing visibility and relevance to travelers during times of heightened interest, ultimately driving significant engagement and bookings.

SEO and ORGANIC VISIBILITY

TECHNICAL SEO AUDITS

Our thorough audits identify website issues that hinder search engine rankings. We ensure your site meets the latest standards for optimal performance, enhancing visibility and user experience.

DESTINATION LANDING PAGES

We create targeted landing pages that showcase each travel experience, improving search relevance and engagement. This strategy optimizes your site's ability to attract and convert potential travelers.

BLOG CONTENT STRATEGY

Developing a robust content strategy allows your site to build authority over time. Our tailored blog strategies engage users while enhancing SEO, driving organic traffic to your website.

INSTAGRAM AND FACEBOOK

Leveraging Instagram and Facebook allows brands to engage diverse audiences in the EU, Israel, and Middle Eastern markets, fostering connections through targeted campaigns and visual storytelling.

TIKTOK ENGAGEMENT

TikTok's creative platform drives travel bookings, with 39% of users reporting they booked trips based on content they discovered, making it essential for reaching younger travelers.

YOUTUBE CONTENT

Utilizing YouTube for long-form destination content enhances brand visibility through pre-roll ads and storytelling, captivating potential travelers while showcasing unique experiences and destinations.

LINKEDIN NETWORKING

LinkedIn provides valuable opportunities for DMCs to target corporate buyers and MICE planners, allowing brands to connect with decision-makers and expand their professional network effectively.
